chaitanyakarthikitis@gmail.com

7569931792

Visakhapatnam, Andhra Pradesh

## SUMMARY

---

Results-oriented computer science graduate from Gitam University with a strong programming aptitude and in-depth knowledge of programming fundamentals. Proficient in Java programming language, with hands-on experience in front-end web development using ReactJS and a solid grasp of Data Structures and Algorithms. Actively seeking a challenging entry-level position in the IT industry to apply my skills, contribute to a dynamic team, and pursue professional growth.

## EDUCATION

---

### B.Tech in Computer Science engineering

Gitam University • Visakhapatnam, Andhra Pradesh

05/2023

## SKILLS

---

### Languages and Frameworks:

- Java, Javascript, HTML, CSS, JSON, Bootstrap, TailwindCSS, React.JS

### Tools:

- Git, Figma

### Theoretical Concepts:

- Data Structures and Algorithms

## PROJECTS

---

### Personal Portfolio Website (Jan 2023)

- Personal Portfolio website serves as a central hub for showcasing a curated collection of my projects, highlighting my skill sets and background, and facilitating collaboration opportunities.
- The website was primarily built using ReactJS and TailwindCSS, ensuring a seamless and visually appealing user experience. Visitors can explore my portfolio, gain insights into my expertise, and easily connect with me for potential collaborations.
- <https://react-portfolio-app-coral.vercel.app/>

### SmartNotes (Dec 2022)

- SmartNotes is an innovative note-making application designed to enhance the note-taking process for users. With its intuitive interface and powerful features, SmartNotes allows users to effortlessly create, manage, and organize their notes. This cutting-edge application enables users to perform essential operations such as Create, Read, Update, and Delete (CRUD) on their notes, ensuring a seamless and efficient note-taking experience.
- One of the key strengths of SmartNotes lies in its development using ReactJS. By leveraging the capabilities of ReactJS, the application delivers a visually appealing and highly interactive user interface.

You can explore additional projects in my comprehensive portfolio website live @ <https://react-portfolio-app-coral.vercel.app/>

## Languages

---

English, Hindi, Telugu

## WORK HISTORY

---

### Web Developer Intern

Handout Foundation

05/2022 - 07/2022

- Utilized modern JavaScript framework, such as React, along with HTML5 and CSS3, to develop interactive and user-friendly user interfaces for web applications.
- Demonstrated the ability to prioritize and solve multiple tasks concurrently, exhibiting strong problem-solving skills and working effectively with minimal supervision.
- Actively participated in team meetings by taking detailed notes and effectively disseminating information to team members, ensuring efficient communication and alignment within the project.
- Maintained thorough documentation of code for web-based applications, facilitating ease of maintenance, collaboration, and future development.
