

Chaitanya Karthik Basva

chaitanyakarthikitis@gmail.com

7569931792

Visakhapatnam, Andhra Pradesh

SUMMARY

Results-oriented computer science graduate from Gitam University with a strong programming aptitude and in-depth knowledge of programming fundamentals. Proficient in Java programming language, with hands-on experience in front-end web development and a solid grasp of Data Structures and Algorithms. Actively seeking a challenging entry-level position in the IT industry to apply my skills, contribute to a dynamic team, and pursue professional growth.

EDUCATION

B.Tech in Computer Science engineering

Gitam University • Visakhapatnam, Andhra Pradesh

05/2023

SKILLS

Languages and Frameworks:

- Java
- JavaScript
- HTML
- CSS
- JSON
- Bootstrap
- TailwindCSS
- React.js

Tools:

- Git
- Figma

Theoretical Concepts:

- Data Structures and Algorithms

PROJECTS

Personal Portfolio Website (Jan 2023 – Feb 2023)

- Personal Portfolio website serves as a central hub for showcasing a curated collection of my projects, highlighting my skill sets and background, and facilitating collaboration opportunities.
- The website was primarily built using ReactJS and TailwindCSS, ensuring a seamless and visually appealing user experience. Visitors can explore my portfolio, gain insights into my expertise, and easily connect with me for potential collaborations.
- <https://react-portfolio-app-coral.vercel.app/>

To-Do list web app (Oct 2022 – Nov 2023)

- The To-Do List Web App is a dynamic and user-friendly application aimed at enhancing task organization and management for individuals. This web-based tool offers a seamless and intuitive interface, empowering users to efficiently create, prioritize, and track their to-do items.

- This app was primarily developed using ReactJS, ensuring a modern and responsive user experience.

WORK HISTORY

Web Developer Intern

Handout Foundation

05/2022 - 07/2022

- Utilized modern JavaScript framework, such as React, along with HTML5 and CSS3, to develop interactive and user-friendly user interfaces for web applications.
- Demonstrated the ability to prioritize and solve multiple tasks concurrently, exhibiting strong problem-solving skills and working effectively with minimal supervision.
- Actively participated in team meetings by taking detailed notes and effectively disseminating information to team members, ensuring efficient communication and alignment within the project.
- Maintained thorough documentation of code for web-based applications, facilitating ease of maintenance, collaboration, and future development.
